

Spring 2010 Merit Badge Workshops

We are off to a slow start in scheduling our workshops. We will add to this list as the workshops are added to the schedule.

February 20	Citizenship in the World §	9 am – Noon	Limit 20	Cost: \$7
-------------	----------------------------	-------------	----------	-----------

§Required for Eagle

Advance registration is required, and will be accepted only by mail, accompanied by payment. We will keep a short waiting list for this and other workshops. We cannot accept walk-ins on the day of the event.

Upon registration, you will be send a sheet outlining prerequisites and all the information you should need to arrive on time with the required materials. This information will be shared with confirmed registrants (those from whom payment has been received) via e-mail before the workshop. If the merit badge cannot be completed at the end of the day, Scouts can set up an appointment with the merit badge counselor. The Scoutmaster **must** fill out merit badge cards before the boy arrives, and boys should bring along their merit badge book(s).

Space in the workshops is very limited and these workshops will fill quickly.

For questions or further information, call Carol Forrest at 651-437-4104, or e-mail cforrest@comcast.net.
