Tours and Programs

Open to the casual visitor, the Museum also offers guided tours and programs by reservation. Cub Scouts, Brownies, Boy Scout and Girl Scout groups can get special programs; call us today. The Museum's regular schedule is posted on our website: at www.nssm.org

Membership Opportunities

For nearly 30 years, the North Star Museum was supported solely by its members and the work of its volunteers. The Museum has changed a great deal, but the need for members and volunteers has not. We value both as much as ever.

Membership fees begin at \$35 for an individual. Just remove the attached form and return it to us to activate your membership. Benefits include our newsletter (6X yearly), advanced notice of all Museum events, a role in the Museum through your vote, and a 10% discount in our Museum Shop. Join us today—we need you.

The Museum is open to the public on a regular schedule after April 23, 2006—for current hours, visit our website.

North Star Museum of Boy Scouting and Girl Scouting

History—

Memories—

Activities—

They're all inside!

The excitement of a first winter camping trip. Learning how to tie a complex, secure knot. Cooking and enjoying a meal outdoors. Developing friendships that last a lifetime. Serving your troop, community, and country. These memories, and more, await you at the North Star Museum of Boy Scouting and Girl Scouting, the only museum in the upper Midwest devoted to the history and traditions of the Boy Scouts of America and the Girl Scouts of the USA.

Memories

The North Star Museum provides opportunities for Boy Scouts and Girl Scouts, old and new, to share their memories and their stories. Our exhibits offer a chance for Boy Scout and Girl Scout veterans to relive their best experiences, remember old friends, and reflect on the past.

Our programs will kindle memories, and our volunteer opportunities allow the creation of new memories.

Collections

1937 Jamboree booklet

The Museum owns rare, one-of-a-kind objects, like a bronze medallion given to St. Paul area Scouts for their sale of war bonds during the Second Liberty Loan in 1917, a canoe made entirely out of orange crates by a Mahtomedi Boy Scout, and a bicycle from a National Jamboree in the 1970s. More than 10,000 patches and merit badges (Boy Scout and Girl Scout) show the variety of programs and the progress of individual girls and boys. Films, photographs, and oral history supplement the collections.

Service

Boy Scouts and Girl Scouts both are required to complete community service projects. The Museum can accommodate troops or individuals who wish to do service. There are also many more volunteer needs and projects available for both youth and adults—no Scouting background needed! Visit the museum's website at www.nssm.org for details.

Museum Without Walls

Museum display at U of Scouting

For many years, the North Star Museum made itself known in Boy Scout and Girl Scout circles through its "Museum Without Walls" program, which brought the collection to a variety of communities. Even though we now have a place to call home, this program continues. Call today to book a portable display for your next event.

Preservation

Our new home allows us to preserve the artifacts in our collection better than ever. There are many volunteer opportunities in the collections program. The Museum can also provide opportunities for boys and girls to learn more about caring for their personal collections through Collections (Boy Scouts)/"Collecting" Hobbies (Junior Girl Scouts) merit badge programs.
