| June 6 | Collections | 8 – 10 a.m. | Limit 10 | Cost: \$6 |
| June 6 | Collections | 10:30 a.m. - Noon | Limit 10 | Cost: \$6 |

§Required for Eagle

Registration will be taken by mail only on a first come, first served basis. We cannot accept walk-ins on the day of the event.

Some merit badges will have prerequisites, which must be completed prior to coming to the workshop. Prerequisites will be shared with confirmed registrants only via e-mail before the workshop. If the merit badge cannot be completed at the end of the day, Scouts can set up an appointment with a merit badge counselor. The scoutmaster **must** fill out merit badge cards before the boy arrives, and boys should bring along their merit badge book(s).

If a Scout completes both Environmental Science and Fish and Wildlife Management, then he need only complete Citizenship in the World to earn his World Conservation Award.

Space in the workshops is very limited. Registration by mail only. We will be keeping a short waiting list (no more than 5 individuals), and admittance to the workshop cannot be guaranteed.

Make checks payable to *North Star Museum*, and send registration form with payment to North Star Museum of Boy Scouting and Girl Scouting, 2640 Seventh Avenue East, North St. Paul, MN 55109-3103

If payment does not accompany the registration form, the individual's place will not be held in the workshop. A confirmation e-mail will be sent once payment is received, containing any additional information, including prerequisites set by the merit badge counselor.

For questions or further information, call Claudia Nicholson at 651-748-2880, or e-mail cnicholson@nssm.org.

Registration Form:

Note: When more than one session is available, please indicate the session you will attend.
