Come prepared with the following:

- Bring a copy of the Citizenship in the World merit badge pamphlet available from the Boy Scouts at the Scout shop at Basecamp or for purchase on amazon.com for the Kindle.
- Read the Merit Badge pamphlet that you purchased as it has additional information on completing the requirements.

Bring a print out of the merit badge workbook that is contained at the following web site: <http://usscouts.org/usscouts/mb/worksheets/Citizenship-in-the-World.pdf>, The worksheet can be downloaded to your computer and the information typed into it. You can then save the document to your computer with a different name and print it. Your counselor would like you to send it to him in advance, you may do so by attaching it to an email and sending it to jguthmann@msn.com. Please do not print out the pages fill them in by hand and then take pictures of the pages to send. They are unreadable.

- Wear your Scout uniform.
- Bring a properly filled out and signed merit badge card
- Bring a notebook and pencils or a pen.

Your counselor has requested that you review the merit badge pamphlet prior to attending and prepare as much as possible in order to complete most of the requirements. You can (and should) get a head start on this by downloading the Citizenship in the World Merit Badge Worksheets and filling out what you can. At the end of the workbook, you will find additional links that will help you review some of the requirements ahead of time. This merit badge class is not meant for those who just want to come and see what they can get done. Preparation is a MUST. Scouts will be signed off only on those requirements that the Merit Badge Counselor determines meets the requirements. This is an Eagle required Merit Badge and you should not expect to earn the badge without preparation and effort.

If you need to cancel, you must do so seven days prior to the session by contacting barbcorti@gmail.com for a refund.
